Our compass

NUESTRA BRÚJULA

Dos claves definen el rumbo de Momocca. Por un lado, el compromiso con la máxima calidad, desde la propia concepción del mueble hasta la entrega del mismo. Por otro, el trato directo y personal a través de una gestión eficiente sin intermediarios. Queremos cultivar una relación basada en la confianza y respeto mutuo.

NOTRE BOUSSOLE

Deux enjeux définissent la voie à suivre de Momocca. D'une part, l'engagement envers une qualité maximale, dès la propre conception du meuble jusqu'à sa livraison. De l'autre, le traitement direct et personnel, grâce à une gestion efficace et sans intermédiaires. Nous souhaitons cultiver une relation basée sur la confiance et le respect mutuel.

Two key features define Momocca's direction. On the one hand, the commitment to the highest quality, from the furniture's conception to its delivery. On the other hand, the direct and personal treatment through an efficient management without intermediaries. Our wish is to create a relation based on trust and mutual respect.

CONCEPTO CREATIVO

Todas las colecciones Momocca se definen por cuatro denominadores comunes. Primero, la versatilidad, diseños modulares y configurables para crear sin límites. Segundo, la innovación, tanto en forma como en materia. Tercero, la singularidad, creando piezas con carácter y personalidad. Por último, la atemporalidad, muebles que permanecen deseables al paso del tiempo.

UN CONCEPT CRÉATIF

Toutes les collections Momocca se définissent selon quatre dénominateurs communs. D'abord, la versatilité : des créations modulaires et configurables sans limites. Ensuite, l'innovation : autant au niveau de la forme ainsi qu'en matière. Puis, la singularité, le caractère et la personnalité de ses pièces. Enfin, l'atemporalité : des meubles séduisants sur lesquels le temps ne passera pas.

Creative concept

Every Momocca collection is defined by four common denominators. First, versatility, modular and configurable designs to create without limits. Second, innovation, both in shape and matter. Third, uniqueness, creating pieces with character and personality. Lastly, timelessness, furnishings that remain desirable over time.

MODULAR STYLISH FURNITURE

Adara Collection

ADARA COLLECTION

Adara is a collection of auxiliary furniture with a singular curved finish and a marked personality. Adara is wood, metal and stone. Wood in the soul, thanks to its central body made in natural oak or natural walnut wood. Metal in its structure, by the profiles that surround the perimeter and give formality to the whole. And stone on the surface through natural marble or the ultra-compact top cover of ceramics.

Adara is a world of possibilities that will delight any room. An innovative system that will allow you to create unique environments according to any need.

Honesty · Distinctive · Flexible

COLECCIÓN ADARA

Adara es una colección de mobiliario auxiliar con un singular acabado en curva y una marcada personalidad. Adara es madera, metal y piedra. Madera en el alma gracias a su cuerpo hecho en madera natural de roble o nogal. Metal en su estructura por los perfiles que rodean las piezas y delimitan su figura. Y piedra en su superficie a través del mármol natural o cerámico ultracompacto.

Adara es un mundo de posibilidades que hará las delicias de cualquier estancia. Un sistema innovador que te permitirá crear espacios únicos adaptados a todas tus necesidades.

LA COLLECTION ADARA

Adara est une collection de mobilier auxiliaire avec une finition courbée singulière et une personnalité marquée. Adara est bois, métal et pierre. Le bois dans l'âme grâce à son corps en chêne ou noyer naturel. Métal dans sa structure par les profils qui entourent le périmètre et délimitent sa figure. Et la pierre dans sa surface grâce au marbre naturel ou l'innovant surface ultra-compacte en céramique.

Adara est un monde de possibilités qui ravira n'importe quelle pièce. Un système innovateur qui vous permettra de créer des espaces uniques adaptés à tous vos besoins.

MODULES · MÓDULOS · MODULES

Tres tipologías de módulo que permiten un sistema de diseño versátil y adaptable a cualquier necesidad: puertas lisas, ranuradas y cajones.

Trois types de modules qui permettent un système de conception polyvalente et adaptable à tous les besoins : portes lisses, rainurées et tiroirs.

Three different typologies will set up a distinct versatile design system composed by different modules able to cover all your storage needs: plain doors, grooved doors or drawers.

AGRADABLE

Adara es una colección completa compuesta de un sistema versátil y modular capaz de adaptarse a cualquier tipo de espacio. La versatilidad de sus formas incita a una creación infinita, gracias a la cual, se presenta una colección de elementos auxiliares.

AGRÉABLE

Adara est une collection complète composée d'un système polyvalent et modulaire capable de s'adapter à tout type d'espace. La polyvalence de ses formes incite à une création infinie, grâce à laquelle une collection d'éléments auxiliaires est présentée.

PLEASANT

Adara is a complete collection consisting of a program of versatile and modular elements capable of adapting to all types of spaces. The adaptability of its forms evokes an infinite creation, thanks to which, we present a complete collection of auxiliary elements.

SIDE TABLES · MESITAS · TABLES BASSES

Siguiendo con la armoniosa curva emblema de la colección, presentamos una serie de mesas de centro o auxiliares completamente configurables. Adaptables en altura y profundidad, y con la capacidad de convertirse en el centro de todas las miradas.

Suivant l'emblème harmonieux de la collection en courbe, nous présentons une série de tables basses ou auxiliaires entièrement configurables. Adaptables en hauteur et en profondeur et avec la capacité de devenir le centre de tous les yeux.

Following in perfect harmony the characteristic curve of the collection, we present a collection of fully configurable coffee tables or side tables. Versatile in height and dimension and with the ability to be the center of attention of any room.

HONESTA

Limpia, clara y sincera. Adara transmite paz y sintonía con el ambiente. El diseño orgánico de sus curvas y la mezcla de texturas nobles aportan calidez y elegancia a cualquier espacio, mientras que su ligereza y estilo llenan todos los ambientes.

HONNÊTE

Propre, clair et sincère. Adara transmet la paix et l'harmonie avec l'environnement, le design organique de ses courbes et le mélange de textures nobles apportent chaleur et élégance à tout espace et sa légèreté et son style remplissent tous les environnements.

HONESTY

Clean, clear and sincere. Adara transmits peace and harmony with the environment, the organic design of its curves and the mixture of noble textures bring warmth and elegance to any space and its lightness and style fill any environment.

The perfect complement to any wall. The metal trays delicately collect the wooden shelves, continuing with the curved and organic aspect of the essence of the Adara collection. Together or separately, create compositions on any wall.

El complemento perfecto para vestir cualquier pared. Las bandejas metálicas recogen delicadamente las baldas de madera continuando con el aspecto curvo y orgánico de la esencia de la colección Adara. En conjunto o por separado, crea composiciones en cualquier pared.

Le complément parfait pour habiller n'importe quel mur. Les plateaux en métal collectent délicatement les étagères en bois, en continuant avec l'aspect courbé et organique de l'essence de la collection Adara. Ensembles ou toutes seules, faites de compositions sur tous les murs.

DISTINTIVA

No hay otra igual. Singular y atípica, deleita cualquier espacio con su presencia en sus diferentes formatos y posibilidades. Multifuncional y configurable en materialidad y dimensión.

DISTINCTIVE

Il n'y en a pas d'autre comme ça. Singulière et atypique, elle enchante tout espace par sa présence dans ses différents formats et possibilités. Multifonctionnelle et configurable dans sa matérialité et ses dimensions.

DISTINCTIVE

There's no other like it. Singular and atypical, it delights any space with its presence in its different formats and possibilities. Multifunctional and configurable in materiality and dimension.

CURVES · CURVAS · COURBES

Orgánicas, amables y distintivas. La característica más notable de la colección reside en la sinuosidad de su figura y sus esquinas curvas que a tantos han ya enamorado. La confluencia perfecta entre madera, metal y piedra.

Organiques, amicales et distinctives. La caractéristique la plus remarquable de la collection réside dans la sinuosité de sa silhouette et ses angles courbes dont tant de gens sont déjà tombés amoureux. La confluence parfaite entre le bois, le métal et la pierre.

Organic, friendly and distinctive. The most notable feature of the collection lies in the sinuosity of its figure and its curved corner which have made so many fall in love. The perfect bend where wood, metal and stone are found.

FLEXIBLE

Tú haces Adara. Su alma, apariencia y objetivo depende de ti gracias a una colección modular cuyas dimensiones pueden adaptarse a cualquier espacio, ambiente y personalidad. Añade módulos y elige entre una gran variedad de acabados.

FLEXIBLE

Vous faites Adara. Son âme, son apparence et son objectif dépendent de vous grâce à une collection modulaire dont les dimensions s'adaptent à tout espace, environnement et personnalité. Ajoutez des modules et choisissez parmi une grande variété de finitions.

FLEXIBLE

You make the essence of Adara. Its soul, appearance and purpose it's up to you thanks to its modular collection with measures than can be adapted to any space, ambiance and personality. Add modules, finishers and mix them with the different options of wood.

Todos los módulos se unen a través de una estructura perimetral superior e inferior. Estos perfiles pueden ser metálicos, representando la fuerza y la dureza; o de madera, haciendo una capa única noble y estable.

Tous les modules sont reliés par une structure périmétrique supérieure et inférieure. Ce profil peut être métallique, représentant la résistance et la dureté ; ou en bois, faisant une couche noble stable et unique.

PROFILES · PERFILES · PROFILS

All the modules are joined through an upper and lower perimeter structure. These profiles can be metal, representing strength and fortitude; or wood, making a single layer of nobility and continuity.

ENÉRGICA

La materialidad la eliges tú. Metal o madera en la estructura. Robles, nogales o lacas en el cuerpo. Piedra natural, cerámico o modera para el sobre. Dale vida a tu espacio y deja aflorar tu personalidad jugando con la combinación de materiales y colores.

VIVANTE

Les matérialités dépendent de vous. Métal ou bois dans la structure. Chêne, noyer ou laques pour le corps. Pierre naturelle, céramique ou bois pour la couvercle. Donnez vie à votre espace et faites émerger votre personnalité en jouant avec la combinaison des matériaux et des couleurs.

LIVELY

Materiality is up to you. Metal in the structure. Oak, walnut or lacquers on the body. Natural stone, ceramic or wood for the envelope. Bring your space to life and let your personality be reflected by playing with the combination of materials and colours.

TOP LIDS · SOBRES · COUVERCLES

Whether it is natural stone, Dekton or wood, the piece is completely embedded in the furniture. The natural marble protrudes a few millimeters from the surface of the shelf, leaving the edge seen slightly rounded and respecting its characteristic curve, while the Dekton or wood are completely flush to the surface.

Tanto si se trata de piedra natural como Dekton o madera, la pieza queda completamente encastrada en el mueble. El mármol natural sobresale unos milímetros respecto a la superficie de la balda, quedando el canto visto ligeramente redondeado, mientras que el Dekton o la madera quedan completamente enrasados a la superficie.

Qu'il s'agisse de pierre naturelle, de Dekton ou de bois, la pièce est entièrement encastrée dans le mobilier. Le marbre naturel dépasse de quelques millimètres de la surface de l'étagère, laissant le bord légèrement arrondi, tandis que le Dekton ou le bois sont complètement à fleur de la surface.

CALIDAD EN CADA DETALLE

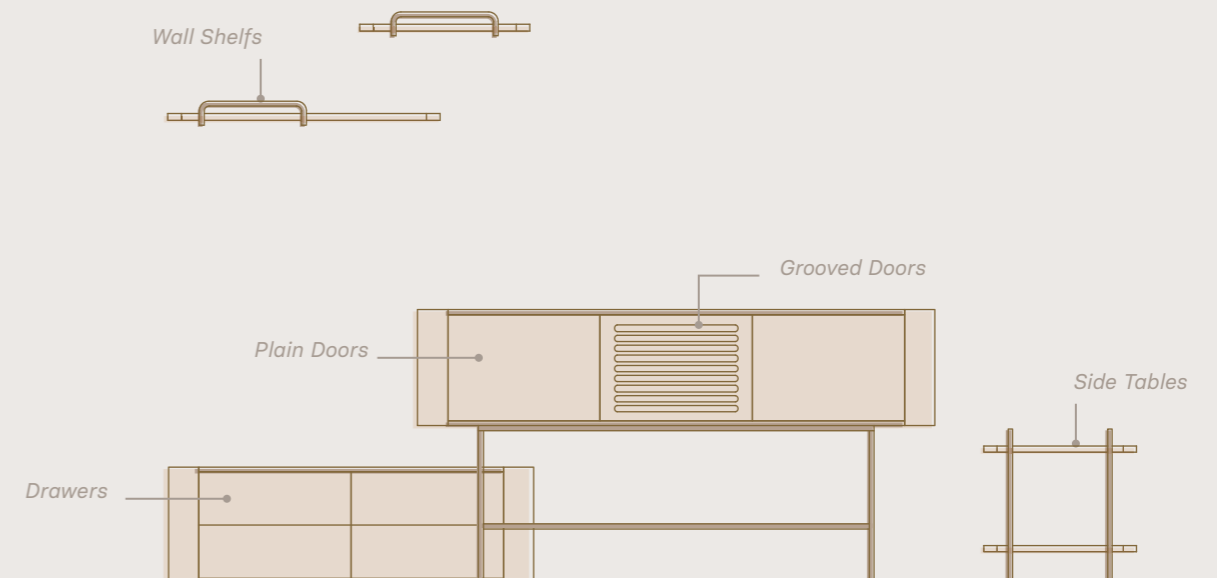

La confluencia de materialidades de alta calidad es la esencia de esta colección. Con módulos de DM lacados o rechapados en madera natural, tanto en el exterior como el interior del mueble, presentándose en cualquiera de sus variantes: puertas lisas, ranuradas o cajones. Los perfiles perimetrales pueden ser de acero termo-lacado o de madera; la tapa superior de madera, Dekton o piedra natural. La opción de la curva se presenta en dos o cuatro esquinas y las patas en diferentes posibilidades de altura.

QUALITÉ ET SOIN DU DETAIL

La confluencia de matériaux de haute qualité est l'essence même de cette collection. Avec des modules DM laqués ou plaqués en bois naturel, tant à l'extérieur qu'à l'intérieur du meuble, ils peuvent être présentés dans n'importe laquelle de ses variantes : portes lisses, rainurées ou tiroirs. Les profils périmétriques peuvent être en acier thermolaqué ou en bois ; la couverture supérieure peut être en bois, en Dekton ou en pierre naturelle. L'option courbe est présentée en deux ou quatre coins et les pieds en différentes hauteurs.

Families

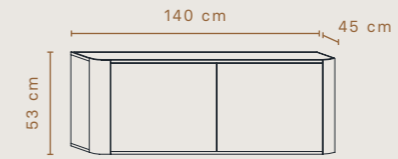

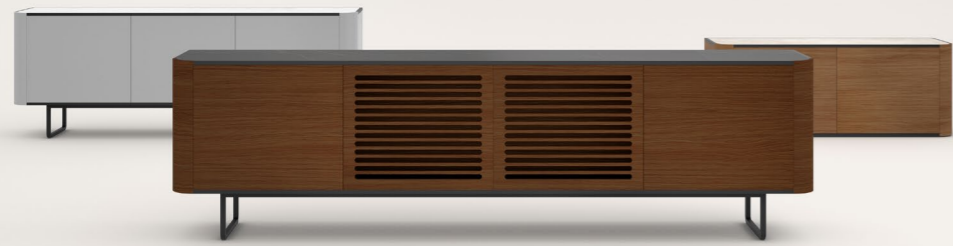

The confluence of high quality materials is the essence of this collection. With MDF modules lacquered or veneered in natural wood, both on the outside and inside of the furniture, can be presented in any of its variants: smooth doors, slotted or drawers. The perimeter profiles can be made of thermo-lacquered steel or wood; the top lid can be made of wood, Dekton or natural stone. The option of the curve is presented in two or four angles and different possibilities for the height.
