AS WE SAID, ENDLESS COMBINATIONS...

# HOW RAYSHELF™ WORKS

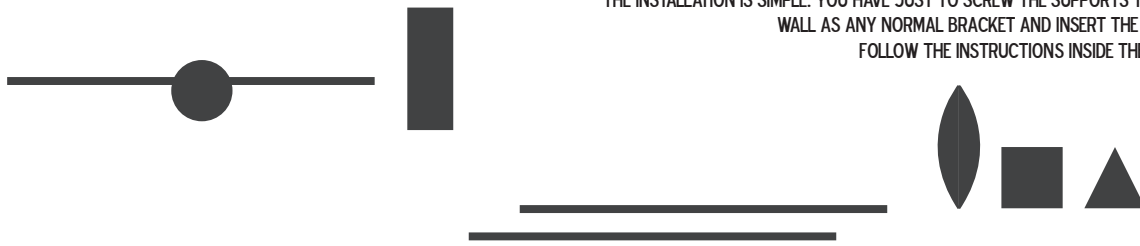

## CHOOSE YOUR FAVOURITE SHAPES AND SHELF BARS

REMEMBER: IT IS IMPORTANT TO VISUALIZE YOUR COMPOSITION BEFORE STARTING THE INSTALLATION. USE THE VISUALIZATION GRID INSIDE THE BOX

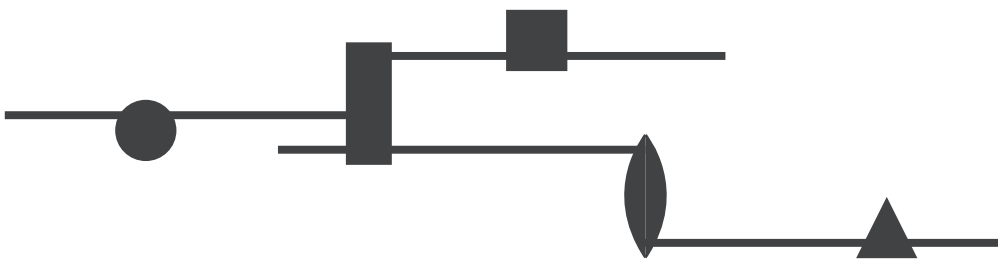

## START BUILDING YOUR COMPOSITION

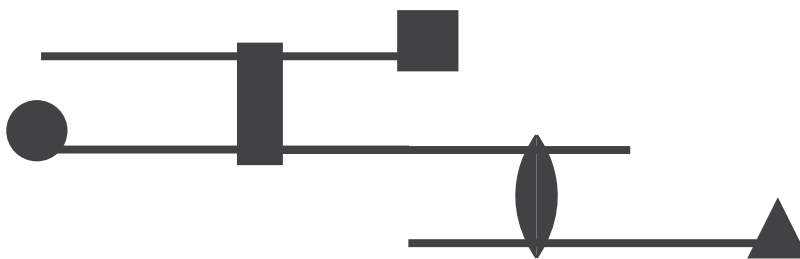

THE INSTALLATION IS SIMPLE. YOU HAVE JUST TO SCREW THE SUPPORTS TO THE WALL AS ANY NORMAL BRACKET AND INSERT THE BARS. FOLLOW THE INSTRUCTIONS INSIDE THE BOX.

## YOUR COMPOSITION IS READY

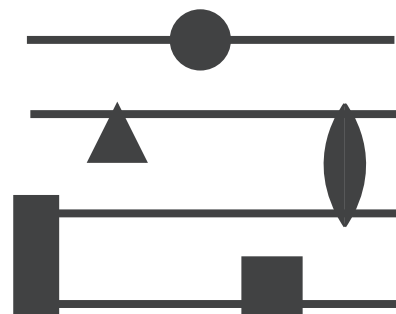

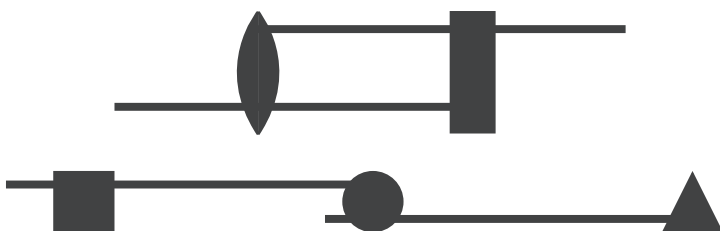

## YOU CAN CHANGE THE APPEARANCE BY MOVING THE BARS WITHIN THE SUPPORTS...

## ...OR FULLY RE-THINK A NEW COMPOSITION WITH THE SAME COMPONENTS

A COMPOSITION FOR A BIG WALL..

... AND A COMPOSITION FOR A SMALLER WALL..
