SLT (Something Like That), 以包容的姿态拥抱无边界设计, 以精准的解决方案回应设计诉求, 将现有的商业模式提升至更具活力的水平, 并赋予其预期之外的无限可能性。

ABOUT SLT

SLT Design was founded in 2013 by Chen Ling, currently based in Shanghai and has branches in Hong Kong and Seattle(United States). It is committed to making cross-disciplinary vanguard ideologies and sustainable creative strategies accessible for spatial evolution. The projects of SLT encompass commercial interior design, architectural design, retail SI system creation and dynamic iteration, brand vision and business strategy consulting, etc. SLT actively promotes close cooperation with well-known artists, cutting-edge technology service providers, and innovative materials research laboratories for in-depth research and development.

SLT (Something Like That) embraces borderless design with an inclusive attitude, responds to design demands with precise solutions, upgrades the existing business model to a more dynamic level, and gives it unlimited possibilities beyond expectations.
