THE SPIRIT OF THE ALTIPLANO

At **Tierra Hotels**, we have great love and respect for the earth and all its resources and majesty. We believe our guests share our feelings, and we invite the curious travelers of the world to join us for adventures in faraway and beautiful Chilean Atacama and Patagonia.

TIERRA ATACAMA HOTEL & SPA

Tierra Atacama is an adventure spa, a place where guests combine active enjoyment of the desert with profound restfulness. We present the great beauty of the Altiplano via guided hikes, bikes, horseback rides and in vans. Back at the hotel, rejuvenation comes from massages, pool time, lounging on outdoor beds, meditation and conversation as well as lovely cocktails and meals.

HOTEL DESIGN & FACILITIES

Tierra Atacama's architecture, interior design and gardens were designed by some of Chile's leading creative talent. Our objectives were to be as authentic as possible, using furniture and accessories handmade with local materials. The resulting spaces excite, relax and inspire our guests. Hotel facilities

include living room, bar, restaurant, guest computers with internet, WiFi throughout the hotel, TV lounge, excursions area, board games, outdoor campfire, lounges with views of the Licancabur volcano and our Uma Spa.

ROOMS

The hotel has 32 rooms styled with Atacameñan details. 16 "Oriente" rooms (35m2/377 square feet) have terraces with volcano views as well as bathrooms with indoor and outdoor showers. 14 "Poniente" rooms (37m2/398 square feet) have bathrooms with bathtubs and showers as well as terraces with views of the gardens and Salt Mountains. Two family rooms sleep up to six with one master bedroom and two rooms with two twin beds and their own bathrooms (97m2 total/1044 square feet). All rooms feature mountain and volcano views, private terrace, outdoor shower, hairdryer, central heating, air conditioning, ceiling fan, telephone and safe deposit box.

ADVENTURES & EXCURSIONS

Discover the scenery, wildlife, flora and archaeology of the Altiplano. Guests consult with our head guide at the beginning of their stay to select the best excursions for them, taking into account individual interests and fitness levels. We offer a selection of activities including hikes, walks, bicycle rides, horseback rides, volcano climbs and

excursions in our vehicles. Relaxing at the hotel and spa is always a lovely alternative to the outdoor adventures.

FOOD & WINE

Our chefs use local ingredients prepared in a style that considers health conscious yet hungry guests. The wine list is extensive, including boutique and organic wines, and guests have the opportunity to sample different varieties according to their choice of menu. The bar serves a wide variety of drinks, including old favorites as well as Chilean standards like the pisco sour plus fun twists like pisco sours with chili, ginger or mango.

SPA

Located in a separate building, Uma Spa ("water" in the local Aymará language) has a heated indoor pool with bubble beds, jets and cascades as well as relaxation areas with volcano views. Facilities include steam baths, an outdoor pool and Jacuzzi. Locker rooms have L'Occitane amenities. Services include a full range of massages and facials, with specialist treatments based on the local desert elements. Large windows open out to the deck with outdoor infinity pool, Jacuzzi, outdoor wooden hot-tub and more relaxation beds around the pool.

SUSTAINABILITY

Sustainability is a strong factor in our decision making and we invite guests to join us in

actively protecting our fragile planet. Our sustainability initiatives include solar panels to help reduce electricity consumption, in-house water-recycling system and our landscaping concept which preserves local vegetation and trees, and emphasizes agriculture with seasonal plantings such as corn, quinoa, figs and other fruits, vegetables and herbs. We serve our produce in our restaurant.

LOCATION & SEASONALITY
