porodica štokrla, stolaca, klupa i stolova

Novi brend osobne kolekcije proizvoda Ksenije Jurinec, pod nazivom Quarupedia inspiriran je štokrlom i tradicijskim, drvenim igračkama. Osnovna forma, čistih, linija ponavlja se u varijacijama čineći modernu, sofisticiranu i inovativnu kolekciju proizvoda koji se mogu slobodno kombinirati i uklopiti u sve vrste interijera i eksterijera. Proizvodi su vrhunske kvalitete, složivi i vodootporni. Ističu se iznimnom čvrstoćom i lakoćom, što je rezultat sustavnog pristupa građi i strukturi proizvoda od ultra tanke šperploče. Kompleti elegantnih, bezvremenskih štokrla, klupa i stolova namijenjeni su za pet visina sjedenja. Uz dva osnovna tona breze i tamnog hrasta dostupni su u široj paleti tonova po izboru.

Quadrupedia is a collection inspired by the kitchen stool and traditional wooden toys. The products are folding, water resistant and stand out for their exceptional strength and lightness, the result of a systematic approach to material and structure of product from plywood, finished with toning and a coating of hard waxed oil. A system of stools, benches and tables is meant for five seating heights, and is available in a wide range of colour choices.
