Aurelien Vassal is a pattern and lighting designer from France who brings an exciting and complex visual story to his patterns and products.

He studied Interior Architecture and Design in France which has given him a grounded and professional experience of the world of interiors.

Black and white and geometric designs are key to his look and with his first 2014 collection due to be available, you are sure to expect a bold and contemporary look in your home.

If you would like to discuss working with Aurelien, or you would be interested in stocking his lamps, please get in touch via the contact details below.
