

- 1 Reversed roof+rolling stones
- 2 Anodized aluminium metal sheet
- 3 Laminated glass, t= 6+6
- 4 Profile of lacquered galvanized steel
- 5 1/2 ipe 160 profile of lacquered galvanized steel
- 6 Stainless steel calibrated rim
- 7 Stainless steel angular profile
- 8 Templated glass with double screm-print in face 1
- 9 Plasterboard sheets +fixed thermal insulation
- 10 Curtain wall, extruded anodized aluminium profile
- 11 Low-e double glazing with interior security laminated glass
- 12 Extruded anodized aluminium carpentry with breaking of thermal bridge
- 13 Galvanized steel angular profile
- 14 Upe profile
- 15 Metal electrocasted rack
- 16 Angular profile of lacquered galvanized steel
- 17 Heb profile of lacquered galvanized steel
- 18 Calibrated rim of lacquered galvanized steel
- 19 Pvc draining pipe
- 20 Washed rolling stones
- 21 Thermal insulation
- 22 Waterproof roof membrane
- 23 Asphalt primer
- 24 Concrete block
- 25 Gravel
- 26 Geotextil sheet
- 27 Pvc draining pipe
