5. Compliance with the standard: UNI EN 998-1:2016

Notified bodies: No tasks for the notified body.

6. Performances declared:

Essential characteristics	Performances
Reaction to fire	Class A1
Water absorption by capillarity	1,03 kg/(m²min <sub>0,5</sub> ) (Category W1)
Water vapour permeability	µ <u>≤</u> 5
Adhesion	≥ 0,12 N/mm² – FP: B
Thermal conductivity:	0,046 W/m°K
Durability	NPD
Dangerous substances	See SDS

The performance of the product identified above is in conformity with the set of declared performance/s. This declaration of performance is issued, in accordance with Regulation (EU) No 305/2011, under the sole responsibility of the manufacturer identified above.

Calce & Sughero srl supplies the current annex along with the DOP to make the consultancy of the CE marking easier for the international clients. The enclosed CE marking can be slightly different compared to the one printed on the relevant packaging or documentation because of:

- graphic adaptations due to lack of space on the packaging or printing methods used,
- different language (the same packaging can be shared by several countries),
- the product is already in stock when the updating of the CE marking is implemented,
- printing mistakes.
