

DECORATIVE ART PANELS

MAXALABISO.COM

MAXALABISO is the Brand Made in Italy aimed at the LUXURY segment and it is "the New Frontier of Art Applied to INTERIOR DESIGN".

The decorative panels in aluminum and resin made by the Art Designer MAXALABISO are the reference point of the market, because they are Customizable product by subject and style according to the customer's needs.

The Art Panels are made with Digital Art images, treated with acrylic colors, metallic powders, diamonds. These are modular and configurable objects in any format, for any type of indoor and outdoor space, they are Waterproof and can be LED backlit with a transparency effect.

The unique design of the MAXALABISO Art Panels makes them protagonists in any Contemporary Scenario such as SPA, Wellness Centers, Yachts, Swimming Pools, Hotels, Clubs, Retail Stores, Indoor & Outdoor.

With the integrated "VISIONNAIRE" application, in Augmented Reality, based on image recognition from smartphones and iPads, you can also get involved in New Sensory Paths, an installation between the perceiving body and the perceived world.

DECORATIVE ART PANELS

MAXALABISO è il Brand Made in Italy rivolto al segmento LUXURY ed è "la Nuova Frontiera dell'Arte Applicata all'INTERIOR DESIGN".

I Pannelli Decorativi in alluminio e resina realizzati dall'Art Designer MAXALABISO, costituiscono il punto di riferimento del mercato, perchè sono *personalizzabili* per soggetto e stile in base alle esigenze del cliente.

Gli Art Panels sono realizzati con immagini in Digital Art, trattate con colori acrilici, polveri metallizzate, diamantate. Si tratta di oggetti modulabili e configurabili in qualsiasi formato, per qualunque tipo di spazio interno ed esterno, sono Waterproof e possono essere Retroilluminati a LED con effetto trasparenza.

Il Design unico degli Art Panels MAXALABISO, li rende protagonisti in qualsiasi Scenario Contemporaneo come SPA, Centri Benessere, Yacht, Piscine, Hotel, Club, Retail Stores, Indoor & Outdoor.

Con l'Applicazione integrata "VISIONNAIRE", in Realtà Aumentata, basata sul riconoscimento di immagini da smartphone e iPad, potrete inoltre farvi coinvolgere in Nuovi Percorsi Sensoriali, un'installazione tra il corpo che percepisce e il mondo percepito.
