## **MANDARIN ORIENTAL, MILAN – MEETINGS AND EVENTS**

With its prestigious city centre location, refined spaces, world-class service and renowned chef, Mandarin Oriental, Milan is perfect for business meetings, product launches, weddings and private parties. The hotel has two main function rooms and a number of other spaces, both indoors and outdoors, available for events large and small.

### **The Oriental and Taipan Rooms**

Welcoming, flexible and luxurious, the hotel's two main function rooms are the Oriental Room and Taipan Room. Located on the ground floor, they are equipped with state-of-the-art technology and can be divided into smaller sections with retractable walls. Filled with natural light, both rooms have large windows that look out over the hotel's inner courtyards or Via Monte di Pietà. A neutral colour scheme with oak floors and wall panelling provides guests with an opportunity to personalise these intimate spaces.

The Oriental Room can hold 70 guests seated or 90 for cocktails, while the Taipan Room's maximum capacity is 50 guests seated and 70 for cocktails. A spacious foyer separates the two rooms and the entire space can be personalised for larger events. For added flexibility, the area has its own kitchen.

### **Private Dining**

Capable of holding up to eight people, the private room between Mandarin Bar and the restaurant reception is ideal for intimate events, private parties and board meetings. Looking out onto via Monte di Pietà, the room has oak panelled walls that add to its sense of cosiness. Ad hoc menus created by our chef are available.

### **The Inner Courtyards**

The elegance of hotel interiors extends outside to the two inner courtyards. Presented as an outdoor lounge, Mandarin Bar's courtyard has sofas, low tables, cabanas and soft lights, and can be divided into sections or enjoyed as a whole, depending on the number of guests. La Loggia, a corner of the courtyard discreetly enclosed by columns, and yet, immersed in the atmosphere and glamour of Mandarin Bar, is the ultimate setting for intimate, *al fresco* cocktails. Seta restaurant's courtyard also lends itself to private events and can be personalised for any occasion, and so can its indoor dining areas.

### **Lounge**

With high ceilings and large windows looking out onto its courtyard, Mandarin Bar's lounge exudes a feeling of exclusivity, a sensation heightened by its interior design, which is distinctive from larger spaces in the hotel, making it a superb spot for select, specially arranged events for up to 40 guests.

### **Technology**

Mandarin Oriental, Milan, is equipped with state-of-the-art technology for connectivity and audio-video support. Meeting rooms are equipped with podium microphones, WXGA projectors with a resolution of 1280x400 at 4000 lumen, 60-inch plasma monitors and ceiling mounted divider screens.
