

CODOLAGNI

Avignon
dressing table with lighting mirror
.....
beauty moments...

CONCEPT

The shape of the table was inspired by the potential of the spatial connections of some basic geometric elements (cuboid-circle). The use of natural materials and matt finishes makes the furniture become a personal and almost romantic object. The finely jointed edges emphasize the beauty of solid wood and show our producing care.

Designer: Gabor Kodolanyi

PRODUCT SPECIFICATIONS

Table and stool: solid ash wood, beige 100% wool cloth

Surface: matt varnish finish

Cleaning: clean with a wet cloth after the power is switched off

Mirror with lighting: sandblasted mirror, dimmable 22W LED lighting, powersupply unit (input 230V, output 12V), white PMMA backside covering, beige textile cord cable.
