

M+ Lounge

Overview

M+ Lounge is the exclusive space for M+ Members and Patrons.

Occupying the entirety of the 11th floor of the M+ museum building, it provides a haven for art and design enthusiasts to eat, drink, relax, and socialise, with a five-star service to match. Changing displays and commissions in the M+ Lounge offer members and patrons a unique encounter with art and design.

Interior Design

The inaugural design commission for the M+ Lounge has been led by architect, artist, and collector, William Lim, featuring works from the Living Collection, which he and his wife, Lavina Lim, donated to M+ in 2020.

Design Approach

Inspired by the essence of Hong Kong's visual culture, the design scheme for the M+ Lounge is immersive and tactile. Works from the Living Collection are on view alongside customised pieces of furniture, light fixtures, and other furnishings that together offer a sophisticated response to the classic Hong Kong *cha chaan teng*. The selection of artworks represents a mix of emerging and established creative practices from Hong Kong and across Asia. Carefully conceived spatial juxtapositions bring contemporary art, refined design objects, and vernacular artifacts together in a surprising unity, providing members and patrons with a sense of sharing the space with a living visual culture.

William Lim & CL3

William Lim is the Managing Director of CL3. In 1992, he founded CL3, an innovative architecture firm based in Hong Kong, with offices in Shenzhen and Beijing. CL3's design is contemporary while preserving the ability to bridge architecture and art. CL3 gives Eastern aesthetics a modern interpretation resulting in a unique showcase of distinguished designs.

Living Collection

Founded by William and Lavina Lim, the Living Collection is widely regarded as one of the most significant private collections of Hong Kong art from the past two decades and a record of the unique evolutionary trajectory of Hong Kong art in the twenty-first century.

William and Lavina Lim's donation to M+ comprises ninety works by fifty-three artists from Hong Kong and beyond, as well as *PAWN SHOP*, a historic artistic project that involves work by forty-six international artists.
